

HOMEOWNER'S NAME _____ INSTALL DATE _____

BEFORE WE BEGIN WORK: The work we are about to do is designed by your utility company to lower your monthly bill.

SCOPE OF WORK OPPORTUNITIES :

- **Duct Blast** – Ensure that the conditioned air that you pay for returns to your living space.
- **Air Seal** – We seal the envelope of your home starting with the attic floor then the exterior walls.
- **AC Tune Up** – We clean your evaporator, your blower fan (indoor unit) and your outdoor condenser to ensure that your A/C unit is close to factory fresh as possible.*
- **Insulation** – We insulate the attic floor to R-38, which is about 14.5 inches.
